31 Wells In!

Thank You To All Our Donors!

2010/2011 has been a busy time for AWay To Help! Your generosity has overwhelmed and inspired us, whether it was hosting a fundraiser, donating goods or giving monetary donations, your heart to give to those less fortunate was not overlooked or taken for granted. From June 2010 - June 2011 we installed an additional 15 deep wells in the war torn region of Northern Uganda. Over 47,000 people now have access to clean drinking water because of you. Thank you from the AWay To Help Team!

Check out the new team in town: Donating Divas

Donating Divas is a group of Like-minded women who want to make a difference! They are collecting your gently used clothing, accessories and home decor throughout the year that will be featured at an annual Charity event. If you're in So. Cal. and would like to be part of this fun event and/or contribute donations contact: donatingdivas@awaytohelp.org

PARTNERSHIP WITH LIVING JAVA COFFEE

Living Java helps bring water with each bag of coffee they sell. They are passionate about what we do, and we are passionate about their coffee! Be part of bringing health and life to others while enjoying a great tasting good for you cup of coffee. Check them out at www.livingjavacoffee.com or facebook @ Living Java Coffee.

THANK YOU SHOUT OUT TO AMERICAN MINI STORAGE OF LAKE FOREST FOR THEIR GENEROUS DONATION OF STORAGE FACILITIES FOR OUR EVENTS. WE HIGHLY RECOMMEND THEM IF YOU ARE LOOKING FOR A STORAGE UNIT....FRIENDLIEST STAFF IN TOWN! americanminilakeforest@yahoo.com

Away To Help has recently partnered with Wells of Life drastically dropping the price of our deep bore hole wells. Wells of Life is able to provide the most cost effective rate of construction as a result of owning and operating it's own equipment. Wells of Life controls the entire process and has thoroughly researched every aspect of operation. For further information check out the following article: <http://www.wellsoflifeafrica.org/our-work-projects/updates/Wells-of-Life-Receives-Five-Water-Wells-from-Lake-Forest-based-non-profit-A-Way-to-Help.html>

Volunteer of the Quarter: Colleen Galvin

A big thank you and huge amount of gratitude to Colleen Galvin. Colleen spear headed our annual Super Saturday event. The event is held the 2nd Tuesday in November and groups from throughout Southern California hold garage/bake sales on the same morning. Over \$12,000 was raised due to her tireless dedication and effort. Just amazing!

Away To Help Welcomes New Board Member: Ann Mundell-Noel

We are excited to announce our latest addition to our board of directors, Ann Mundell-Noel. Ann has been an intricate part of AWay to Help for several years. Her past achievements with our recycle program is a true testament to the invaluable drive, direction, and inspiration she brings to the team. With her heart for the suffering and energetic spirit we know water will be flowing!

Congratulations to Serrano Junior High School!

Serrano Intermediate School in Lake Forest once again has brought in the most recyclables throughout this school year. After one last "Recycle Tuesday" the trailer will be filled again! Serrano has averaged a well installation for each school year since starting the program. Congratulations to all involved!

UGANDA 2011

We're in the initial planning stages for our Fall 2011 trip.
Will you go?
